

Theatre Usher- (Volunteer Position Only)

Cape May Stage's Volunteer "Buddie" Program is a fun and easy way to get more involved with the arts and cultural activities taking place at our Robert Shackleton Playhouse. We are recruiting volunteers who are interested in assisting the full-time theatre staff before, during, and after performances. Volunteers are needed for the following functions:

- Greeting patrons and ticket taking (includes guiding audience members to their seats and assisting with special needs members)
- Answering general questions regarding the theatre
- Selling tickets at the box office on selected days before performances
- Selling chances for our annual "week at the shore" raffle before and after performances
- Required to remain for the duration of the performance (no admission charge for performance)

Accordingly, Cape May Stage is looking for volunteers who would be comfortable in filling one or more of these roles. We are especially seeking energetic and enthusiastic personalities to help with our raffle sales at each performance!

If you are at least 16 years of age and are interested in becoming a volunteer, please contact our office at (609) 884-1341. You will be asked to complete a short application and to attend an orientation training session if you are selected. As a volunteer you will be contributing to Cape May Stage's reputation and success for professionalism and quality as we bring live theatre and arts education to the community. We hope to hear from you soon!
